Points to be noted:

- Please note that the Institute will grant a deferral of your commencement or temporary suspension of your studies only if there are compelling and compassionate circumstances and the evidence for the following has been attached.
- Students are advised to seek advice from the Department Home Affairs on the potential impact on their student visa due to deferment, suspension or cancellation.
- In case where deferment or suspension has not been granted, students are required to attend their classes at PII as per their course schedule. Failure to do so may be seen as abandoning studies and students may be reported to the Department of Home Affairs.
- Students have the right to appeal through PII's complaints and appeals process, in accordance with standards 10 (Complaints and appeals) of the National Code 2018, within 20 working days. The deferment, suspension or cancellation will not take effect until the internal appeals process is completed, unless the overseas student's health or wellbeing, or the wellbeing of others, is likely to be at risk.

Please note: It is advised that students should not leave the country unless student has a valid deferment or suspension,

as cancellation of enrolment and abandoning your studies might lead to cancellation of your visa and you may not be allowed to enter into Australia.
